Re: Consideration of the Appeal filed by BJ Services Company USA with regard to the Executive Director's negative use determination in Use Determination No. 06-10292, which was issued on March 6, 2007, for certain self-contained air re-circulation system property at the Appellant's Tomball, Harris County research and oil field vehicle assembly facility; TCEQ Docket No. 2007-0490-MIS-U

This letter is to notify you that the Texas Commission on Environmental Quality (TCEQ or Commission) will consider the above-described appeal and all related filings during the Commission's public meeting scheduled to begin at 1:00 P.M. on **Wednesday, October 10, 2007**.

During the public meeting, the Appellant BJ Services Company USA or its representative has eight minutes for its oral presentation to the Commission and may save part of its time for rebuttal since as the Appellant it has the burden to demonstrate it is entitled to a positive use determination. The Harris County Chief Appraiser, Mr. Jim Robinson, may speak next followed by the Executive Director or his representative and then the Office of Public Interest Counsel or its representative. The Chief Appraiser, the Executive Director, and the Office of Public Interest Counsel each have a total time of five minutes for their oral presentations.

If you have any questions about the public meeting or related matters, please contact me at 512/239-5527.

Respectfully,

A handwritten signature in cursive script that reads "Celeste A. Baker".
